Dear Prestel User,

I have great pleasure in enclosing the details you recently requested, about free membership to the exciting new world of Club 403.

Although your address does not lie within our current delivery area for Armchair Grocer, you will still find a wide variety of teleshopping available to you through 403.

Special benefits already exist for 403 members in Home Banking, mail order shopping, and retail shopping, and new benefits are being added regularly.

Club 403 has its own free Microcomputing section, including free telesoftware. And for children, Magig Box and Early Learning offer a tremendous range of games, quizzes, competitions and features.

If you're already a Prestel subscriber, joining Club 403 is simplicity itself. Just complete the enclosed application form, return the top copy to us, and we'll do the rest. Within a few days, you'll be entered into the 403 Closed User Group, and have your Welcome Pack and membership card mailed to you.

If you have any questions, please ring us on the number above, or mailbox us via page 4039.

I look forward to having you join us in Club 403 very soon.

Yours sincerely,
