Dear Club 403 member,

I am delighted to welcome you as a new member of a very special type of Club - so special that it is in fact, the first of its kind in the world.

Club 403 is an example of putting tomorrows technology into use today - and it all comes together as a unique service into your home.

The Club provides you with day-to-day practical services such as armchair shopping, home banking, home booking, news, weather, train timetables, games and educational facilities, and lots, lots more.

In fact, the only way to keep up-to-date is to call up page 4031 every day and see for yourself the new services and information that have been added.

And don't forget to show your children the Magix Box on page *403444# they'll love it!

Should you experience any problems whatsoever in using either the equipment or the service, please do not hesitate to contact the customer support team, just telephone either Patricia Field or Stephanie Young on 021-236-8277 or use Mailbox to send them a message.

Looking forward to hearing from you soon.

Yours sincerely,

Peter A. Young.
General Manager.
