PCs and PERIPHERALS

AB Business systems can supply a wide range of other products such as PCs and peripherals and other modems.

INSTALLATION and FIRST YEAR ON SITE MAINTENANCE

Installation is £40 per site for terminals or £60 per site for modems and £7 per major item.

First year on site maintenance is only available on installed equipment at 12% of list price payable in advance.

For enhanced installation and training please contact us for details.

Prices exclude VAT and delivery. For details contact our sales desk.

The Tandata Range of viewdata products is only available from AB Business Systems and their approved agents.
